To the Brothers of Kappa Kappa Psi:

It is an honor to be considered for a term on the Board of Trustees for Kappa Kappa Psi. I made a lifelong commitment to our brotherhood many years ago, and I am grateful for this opportunity to continue my service. As we advance our mission and define Kappa Kappa Psi in its second century, we need everyone engaged and committed to strengthening our bonds of fellowship and love. Together, we can achieve anything.

Goals for the 2023-2027 term of office:

- Collaborate with the Alumni Association Board of Directors to grow and reclaim alumni membership
- Extend fraternity leadership development efforts to include future candidates for national leadership roles
- Engage with experts to expand development and giving efforts based on the fraternity's needs and goals
- Continue financial and operations recovery from COVID-19
- Manage risks related to potentially significant shifts in general college enrollment
- Continue to support and advance premier programming including the National Intercollegiate Band and National Commissioning Program
- Evaluate the structure and practices at National Headquarters
- Maintain strong bonds with Tau Beta Sigma

I cannot wait to meet brothers in Orlando and discuss the future of our Fraternity. Board leadership should be about changing the lives of those you serve. I hope to be of service to each of you as we work together to ensure that Kappa Kappa Psi remains the world standard of excellence for band fraternal organizations.

AEA!
