

Nicholas (Nic) A. Rorrer, PhD (He/Him) - Candidate for VPME

Marching Shoulder-to-Shoulder - From Council to Chapter

★ Council★District★Chapter★Brother ★

How will I focus on our membership?

My platform is built on **Reducing the Burden on the Active Membership** by ensuring the National Council is Marching Shoulder-to-Shoulder with our Chapters. This includes:

Focusing on recruitment and expanding the Strive for Five campaign

Launching of a '**Friend and Advocate Program**' to provide chapters assistance, mentorship, and guidance

Ensuring the health of the CFR program with visits to chapters in need

Promoting DEIA broadly while ensuring our resources are accessible and expanding the representation of our Fraternity leadership and volunteers

How will I focus on expansion?

Create engagement at new conferences (state music educator associations, HBCU band directors consortia, etc), recharter closed chapters, help chapters with lower numbers with recruitment, and focus on recruiting chapters in smaller districts.

What are my qualifications?

Fraternally: Midwest District Governor, 10+ years as Xi Chapter Sponsor, 6 years on the AABOD serving as Chair from 2019-2021, committee assignments (i.e., Sponsor/Director Task Force), and EF and K Lead Petitioning Group Advisor

Professionally: Manager and Senior Researcher at NREL leading a \$5M a year research portfolio while building a diverse and interdisciplinary team

Where can people find more information?
